T450

Compact Track Loader

The Bobcat® M3-Series T450 is the smallest compact track loader in the Bobcat model lineup, making it a great machine for jobs in tall, confined spaces.

- Ultra-efficient fuel system
- Radius-lift-path offers leading performance
- Unmatched power to push through tough jobs

T450 Overview

- The Bobcat® M3-Series T450 compact track loader delivers the maneuverability your work requires with all the power you need to haul, lift, dig and operate attachments – and quickly move across the worksite.
- The 55-hp Bobcat engine meets Tier 4 emissions standards without a diesel particulate filter (DPF), reducing downtime for regeneration and long-term DPF maintenance costs.
- You can count on the T450's powerful hydraulic performance, leading maneuverability and fast cycle times to get the tough jobs done in less time.
- Premium comfort features include the optional pressurized cab, sound dampening and ample headroom and legroom.
